Cancellation (Terms and Conditions, see 2d)

An application for participation cannot be withdrawn or altered solely by the exhibitor. A request to cancel participation can be approved by the management subject to the following cancellation charges to be born by the exhibitor concerned:

- 50% of the stand rental charges for cancellation after confirmation of participation and stand allocation;
- 75% of the stand rental charges for cancellation less than 2 months prior to the first construction day of the exhibition;
- 100% of the stand rental charges for cancellation less than 1 month prior to the first construction day of the exhibition, plus 21% VAT.

A request for cancellation should be applied for in writing and sent by certified/registered mail.

New applications	non-food	food
Deposit	€ 6	€ 9

All rates are in Euros and per square metre (unless mentioned otherwise) and are exclusive of 21% VAT.

Unless otherwise stated, all rates are exclusive of stand construction, electricity, water and any other provisions a stand operator may require.

EXPLANATORY NOTES TO THE FLOOR PLAN

For the Tong Tong Fair and the Tong Tong Festival every year 14 tents and alu halls are built at the Malieveld, in The Hague, 7 minutes walking distance from The Hague Central Station.

At the Entrance you can find among others the box office, the offices of the organisation and the cloak room.

The Indonesia Pavilion houses stand operators from Indonesia and all other stand operators exclusively selling products from Indonesia.

The Food Court is in the tents behind the Grand Pasar. Here, food and/or beverage stands may be rented.

The Grand Pasar, with over 5,000 m² the biggest tent of the whole event, contains more than 100 stands with a extensive variety of mostly oriental products. It also contains the Tong Tong stage (300 seats) where music and dance performances are given daily.

ELECTRICITY, WATER AND TELEPHONE

The options in the near vicinity of the Malieveld to connect to the electricity grid are limited. That is why generators are used to this purpose. Power supply for the stands is arranged by Van der Veen – event engineering. An application form for electricity for the stand operators shall be sent together with the final registration form.

A standard 3 kW connection with an earthed double wall socket including power consumption is – subject to change – € 345 exclusive of 21% VAT. A much larger power supply is usually required for food stands and kitchen units for which Van der Veen – event engineering may send you an offer (info@vanderveen-ee.nl).

A communal washing-up room shall be made available for food stand operators, the contribution of which shall amount to € 16 per m² rented stand space with a minimum of € 135 and a maximum of € 255 per stand. In case a (food) stand operator decides to organise his own water supply and discharge in the stand, any contribution already charged to this purpose shall be deducted from the costs of the water supply and discharge. The Netherlands Food and Consumer Product Safety Authority (NVWA) urges food stand operators to make use of a kitchen unit connected to the water supply and discharge.

The application form and the rates shall be sent to you if you tick the option 'water' on the general application form. An offer to this purpose may be sent by Mtd Expotechniek.

IMPRESSION

STAND APPLICATIONS

If you are interested in renting a stand we kindly request you to fully complete the application form and send or fax it to us. Please tick your preferred choice of stand/tent. Based on your application form we will make you an offer. You will also be sent a detailed floor plan, a cost calculation and application forms of the installation firms.
